The mode of applotting the CARVAGHS, carefully extracted from the late Road ACT, passed at the last meeting of PARLIAMENT.

“ **W**HEREAS it has been found very difficult in many
“ cases to ascertain the proportion each person is to pay,
“ whereby much obstruction has arisen to the collection of the
“ money required by the *Treasurer's* warrant to be levied; there-
“ fore, be it further enacted, that every person empowered to
“ receive the same, to whom such warrant shall be sent, shall
“ within ten days after he shall have received such warrant,
“ deliver or send to the *Seneschal, Rector, Vicar, Curate, or*
“ *Church-Wardens* of each manor, parish, or denomination of
“ land contained in such warrant, or in case there be no *Senes-*
“ *chal, Rector, Vicar or Curate or Church-Warden* of same, then
“ to any principal residing inhabitant (*if he shall be required*
“ *so to do by any two Land-holder's of any such manor, parish, or*
“ *denomination of land, or if he shall find it necessary so to do*)
“ an account in writing, signed by himself, of the sum he is re-
“ quired by the said warrant to levy upon the said manor, pa-
“ rish or denomination; and to desire that the said sum may be
“ applotted thereon; and every person who shall receive such
“ account is hereby required (*under the penalty of ten Pounds,*
“ *to be recovered by Civil-Bill before the Judges of Assizes, by*
“ *any person who shall sue for the same*) to post up within six
“ days after receipt thereof, on the door of the *Church, or any*
“ other conspicuous place in said manor, parish or denomina-
“ tion, a notice signed by himself, setting-forth”^o That the
Land-holder's and inhabitants of
are hereby required to meet at
the _____ day of _____ on
_____ to chuse

two or more persons to applot the sum of _____ required to be levied upon such manor, parish or denomination by the warrant of the *Treasurer* of this County. — “At which meeting the *Land-holder’s* and inhabitants then present shall chuse two or more persons to be applotters, and the persons so chosen shall applot the same fully and justly as soon as they conveniently can, and shall upon the back of, or underneath their applotment, make Oath before any Justice of the Peace for such County, ” “ that they have made the said applotment justly; according to the best of their skill, without favour, affection or malice; ” — “And shall within thirty days after being so chosen, deliver the same to the person who is empowered to collect the same, under the penalty of forfeiting for every day they shall omit to deliver the same after the said thirty days; the sum of ten shillings, to be recovered by *Civil-Bill* before the *Judge* of *Affize*, by any person who shall sue for the same; and the collector on receiving such full and sufficient applotment, is hereby required and authorized to levy the said money according thereto; and also any sum of money not exceeding ten shillings for the applotter’s fees, by distress and sale of the goods of every person refusing to pay the proportion therein applotted for him or her to pay; rendering the overplus, if any, to the owaer; and in case no full and sufficient applotment shall be returned within thirty-six days after such account was sent or delivered, then in such case it shall be lawful for the collector or his deputy, or the high constable, into such manor, parish or denomination, to enter and distrain the whole or any part thereof, and by sale of such distress to levy the full sum he is required by the *Treasurer’s* warrant to levy upon such manor, parish or denomination.”
